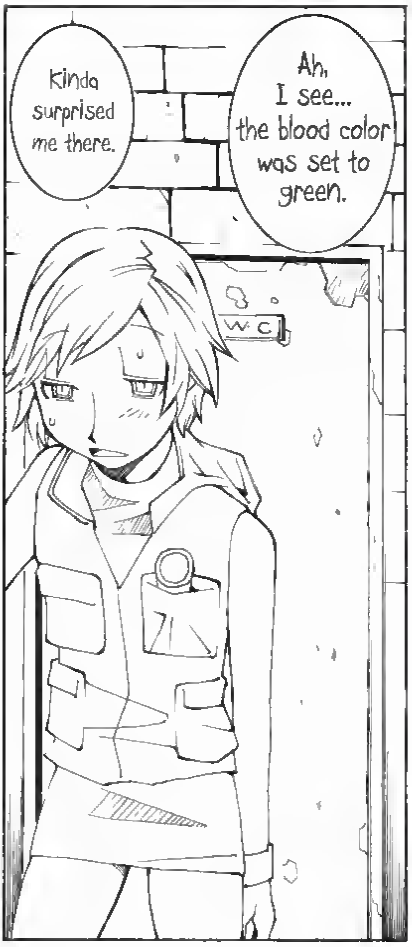
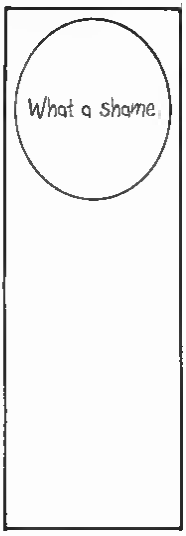
AAAAAAAA

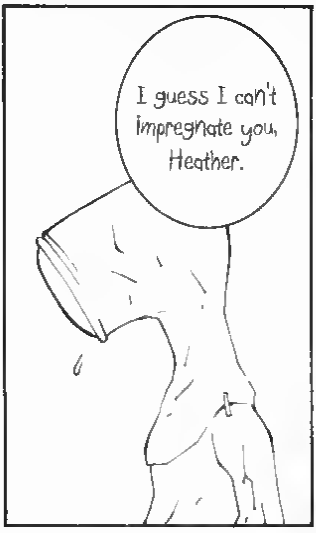
No wonder I was able to smell your menstruation.
Is that so...



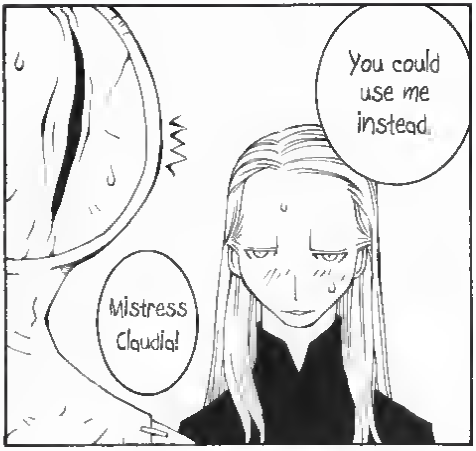
Kinda surprised me there.
Ah, I see... the blood color was set to green.
WC



What a shame.

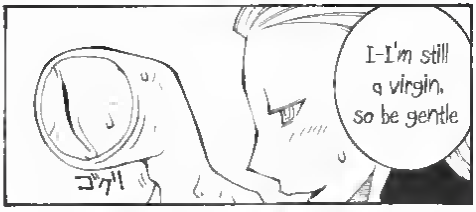


I guess I can't impregnate you, Heather.

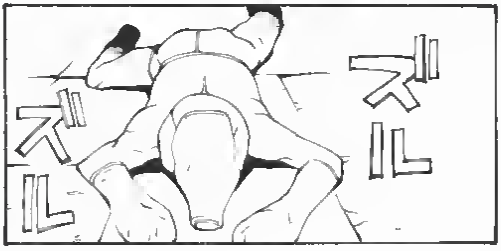


You could use me instead.
Mistress Claudia!

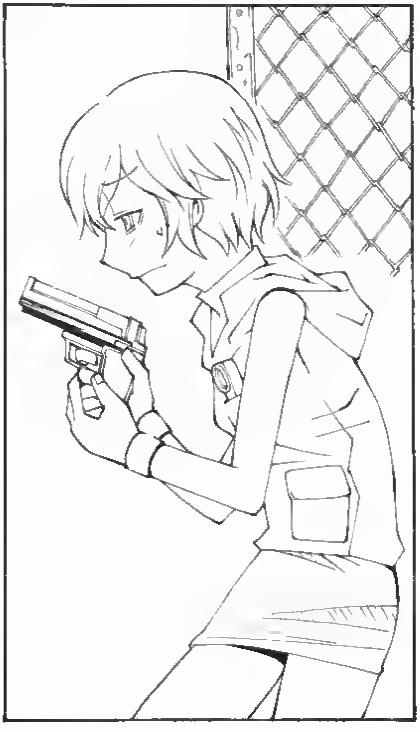
I wanted to violently smack your insides...
Hey, cut that out!
Hi, here's Papa~!

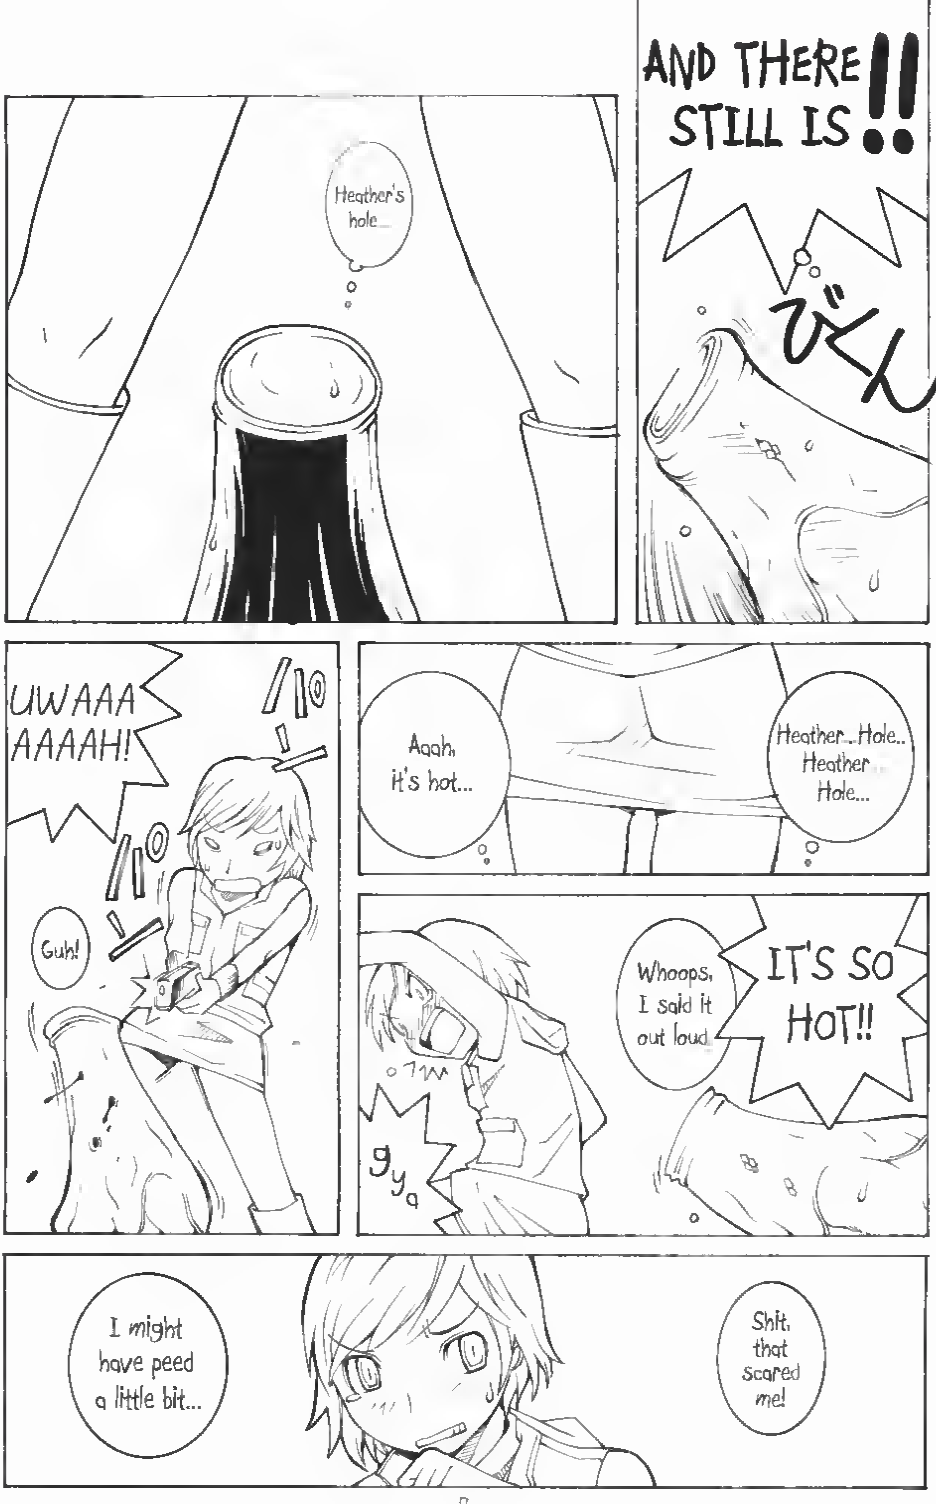


I-I'm still a virgin, so be gentle
ゴゥ!!



There used to be a hole here.

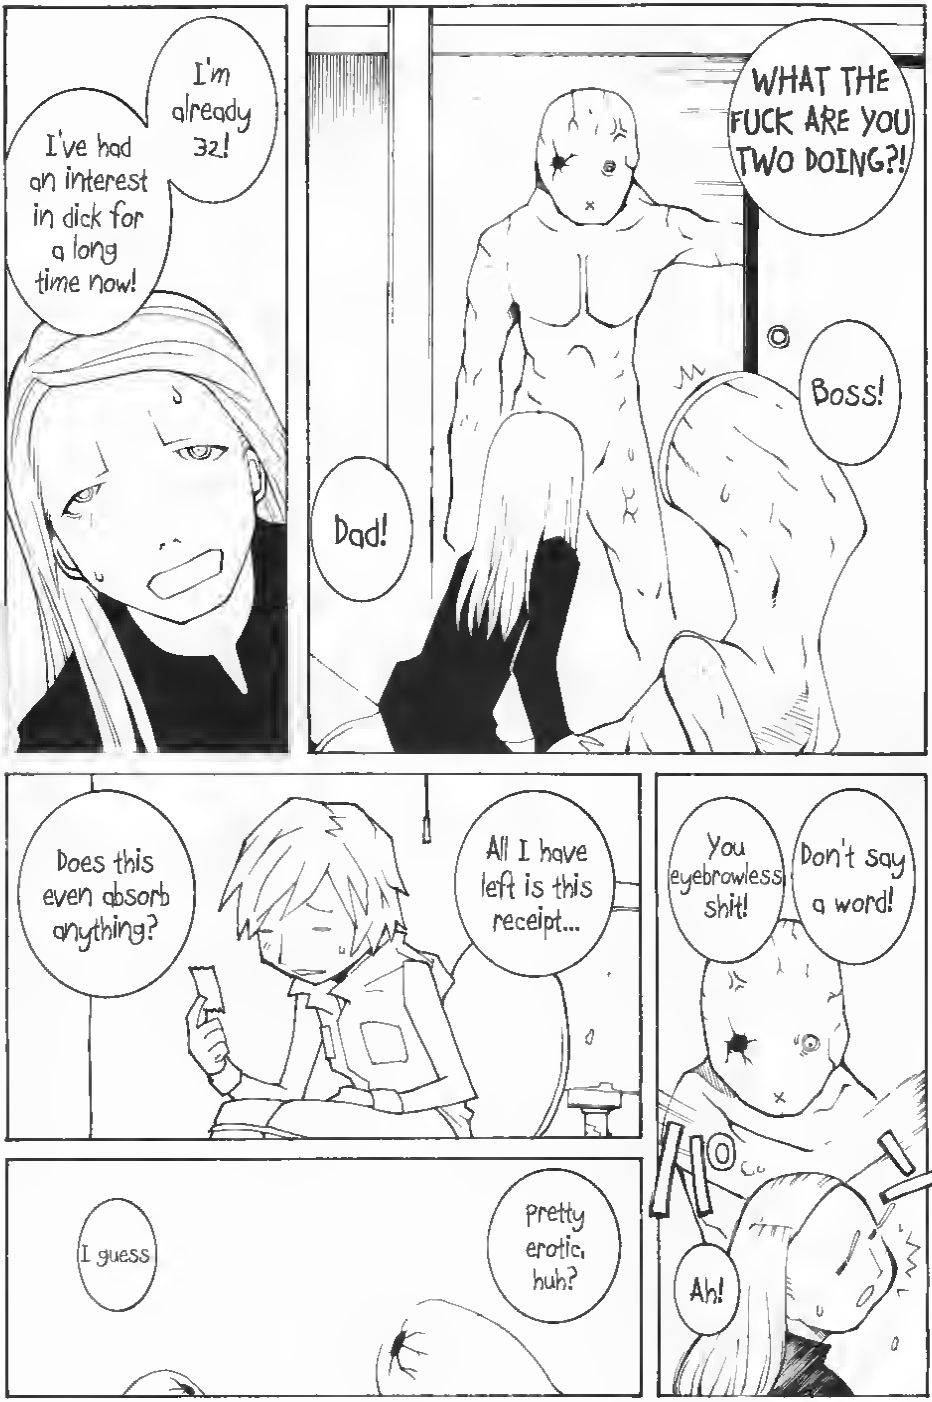




Heather's hole...
AND THERE STILL IS!!
びくん
UWAAA AAAAH!
Guh!
Aaah, it's hot...
Heather...Hole... Heather... Hole...
Whoops, I said it out loud.
IT'S SO HOT!!
I might have peed a little bit...
Shit, that scared me!

I want to go home already...
Just as I thought, newspaper is not the best at absorbing things...
ぐぅ
Old traditions stick around, huh?
A contraceptive coca-cola...
YES
Big YES/NO pillows?
And they all say "Yes."

Um...
What should I call the story?
Erotic Woman: RELOADED.
The Heisei Dirty Woman
Well? Pretty erotic, no?
I guess?
Hospital Hill's Hanged Slut
The Baskerville's Bitch.
JoJo's Bizarre Erotic Woman!
The Dirty Woman of Roppongi!
It's okay, I don't mind...
Hey Miss, to lick such a place...
That's gross.



I've had an interest in dick for a long time now!
I'm already 32!
WHAT THE FUCK ARE YOU TWO DOING?!
Dad!
Boss!
Does this even absorb anything?
All I have left is this receipt...
You eyebrowless shit!
Don't say a word!
I guess
pretty erotic, huh?
Ah!
